

Classic Albums Live performs Rumours (Fleetwood Mac)

Thursday, August 1, 2024 @ 8PM | Carpenter Theatre @ Dominion Energy Center | 600 E. Grace Street

The very first track of the album lets you know that heartache awaits. It’s not easy to fall apart then sing about it then have 25 million people buy it. It was therapy and it paid great. This is a tough album for CAL to perform. The vocals are tricky. There’s nuance and layering and thunder and the guitars are orchestral plus the vibe of the album--the feel, that’s hard to recreate. What’s cool about this record is that everyone knows all the words, even the ushers at the shows, so when CAL hits the stage and plays this masterpiece, it is joyous. We love you when we’re playing.
